

Update the Orora app

August 2016

Please note: The images and instructions included in this guide are for illustration purposes and vary according to model and operating system

Apple iPhone/iPad

- 1 Tap the **App Store** icon on your device.
- 2 Tap the **Updates** icon (bottom-right corner).

- 3 If the Orora app icon is visible in the **Available Updates** list, it means you need to update the app on your iPhone or iPad.

Tap **Update** and wait for the app to install.

Once installation is complete, tap **Open**.
