# Downloading the Orora app

Please note: The images and instructions included in this guide are for illustration purposes and may vary by model and operating system.

Android

1 Tap the **Play Store** icon on your smartphone.

Tap the **Search** option at the bottom the screen and type **Orora Limited** in the blank box at the top of the screen, tap the blue **'Search'** button.

2 When you see this screen, tap **Install**.

3 Follow the onscreen instructions. The Orora app will start installing on your smartphone.

4 Tap **Open**. This will take you to the Orora app. Please refer to the **Signing up to use the Orora app** document.
