

# Update the Orora app

August 2016

**Please note:** The images and instructions included in this guide are for illustration purposes and vary according to model and operating system

## Android

- 1 Tap the **Google Play Store** icon on your device.

- 2 Tap the three horizontal lines (top-left corner) and select **My apps & games**.

- 3 If the Orora app icon is visible in the **Updates** list, it means you need to update the app on your Android device.

Tap **Update** and **Accept**, then wait for the app to install.

Once installation is complete, tap **Open**.
